

# Helping Sam not to throw things

Stay neutral,  
and don't  
overreact

Make sure not  
too many things  
are left out for  
him

Try to stop the  
impulse

Remember to  
praise him  
when he  
handles things  
properly

Make him pick it  
up without  
praising

Ignore it as much  
as possible

Intervene when the  
child breaks  
something or put  
themselves in  
danger
